* Identity document required as a deposit when signing the rental voucher.

Rental Clauses and Conditions

The lessor undertakes to take the equipment under its entire responsibility. Under no circumstances can he sublet it.

The lessee undertakes to use the equipment with care in the areas reserved for its practice, to respect the rules of priority and other practitioners.

The lessor is solely responsible for damage caused to the rented equipment and/or that of another user.

The amount of the repair will be billed to him.

In the event of theft or breakage, the lessor undertakes to pay the value of the equipment at its current price.

Any accident caused to a third person will be the full responsibility of the lessor.

The lessor acknowledges having read the rental clauses and conditions and accepts them.
